Rich,

Robin is going to verify that these numbers included the March sampling.

How are you doing with the "data" collection for Dimock ?

# samples  
# containers  
etc.

bcc sent to R3 EAID -  
Good Morning EAID:

REMINDER - - Please send me any Salient Issues and Calendar Items for this week's Report (March 9, 2012) by ..no later than COB tomorrow - Wednesday, March 7, 2012

Also, please remember to keep me informed about any external outreach activities, so they can be entered into the Regional Outreach and Communications Systems (ROCS) database. Like the salient report and the calendar of events, the ROCS database is a very important tool, in keeping our Regional Management aware of all the outreach work and activities, we are involved in. So please remember to let me know about these important functions as they are being planned/scheduled so I can enter them into the database.

If you have any questions about salients, calendar items, or ROCS, please feel free to call me (215-814-5542), or respond to this e-mail.

Thank you very much - - Have a great day !
